

MUHAMMADU BUHARI
PRESIDENT, COMMANDER-IN-CHIEF OF THE
ARMED FORCES
FEDERAL REPUBLIC OF NIGERIA

MR. PRESIDENT, WELCOME TO KADUNA STATE

Mr. President, we are deeply honoured by your landmark visit, to our dear Kaduna State, especially the Southern Kaduna Senatorial District.

By kickstarting your historic visit at Kafanchan, to commission legacy urban renewal projects, executed by Mallam Nasir El- Rufai, you have once again demonstrated your love for our dear state, your real home.

El- Rufai, has proven himself a prudent manager of resources, reason why in spite of the economic crisis, he has positioned Kaduna State, as the driver of Nigeria's growth.

The redevelopment of 21 markets, his Social Protection Policy, to cater for and uplift the poor, the educational reforms, the rehabilitation of the Primary Healthcare facilities, in 255 political wards, to ensure easy access to medical services and the unprecedented urban renewal projects, in Kafanchan, Kaduna and Zaria.

We are extremely lucky to have El-Rufai as our governor in these challenging times.

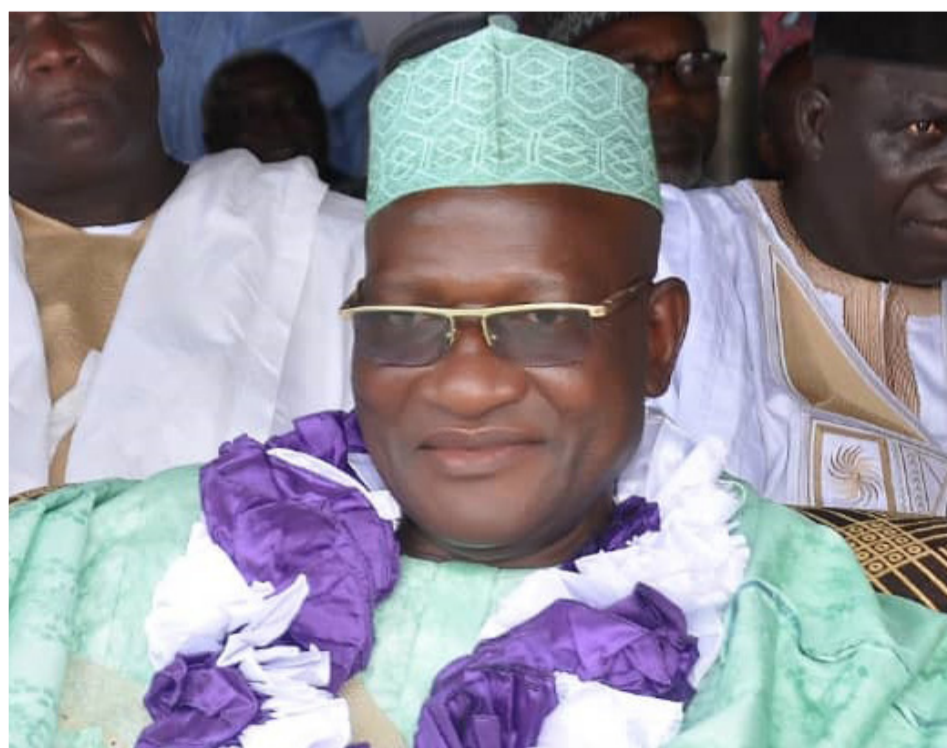

Am short of words to list all that our dear governor has accomplished. We remain eternally grateful to Mallam, the Father of New Kaduna State.

We are encouraged by our governor, Mallam Nasir El- Rufai, who leads by personal example, who sees opportunities, where others see obstacles, to contest and win the Southern Kaduna Senatorial District, for our great party in 2023.

The results of the last local government elections, is a pointer to the fact that Southern Kaduna is now All Progressives Congress (APC).
